Around the Parish Yard:

We are now in the season of "Lent" which means 'springtime' in Middle English because of the lengthening of daylight during this time of year. It is a liturgical season in the church that incorporates forty days of reflection and repentance preceding the fifty days of Easter.

Lent is a special time of meditation, prayer, penitential preparation through music that encourages each of us to identify with God's prophetic desire to restore humanity along with Jesus' sacrifice, death and resurrection. During this time, we are asked to consider anew our baptismal vows, and re-commit to living a Christian life. The giving of alms, fasting and taking time for a retreat is common.

At St. Luke's our liturgy changes tone. There is less organ music and more acapella singing by the choir. There is the simple entrance of the choir and altar party, rather than a joyful procession. The silver chalice and altar vessels are replaced by earthenware pottery. No alleluias or Gloria's are heard in the community. The 'Prayers of the People' take an austere and blunt turn. Visual changes are marked and differing. There are no flowers only greens decorate the sanctuary.

At St. Luke's the baptismal font is removed from the chapel and put aside so individuals can pray with special intention and ask for intercession on their spiritual journey. All this is intended to lead each participant into a very personal and multidimensional time of introspection. Our prayers at this time of year should also remind that our instinctive response to God's love for us is found in trying to be more 'Christlike' within ourselves and towards others.

The love and affection of heaven be with you.

Easter 2016

And Jesus said to Thomas: "Blessed are those who have not seen and yet believe. Now Jesus did many other signs in the presence of the disciples, which are not written in this book; but these things are written that you may believe that Jesus is the Christ, the Son of God, and that in believing you may have life in his name."
[John 20]

Dear Parish Family, Friends & Neighbors:

Since 1899 **St. Luke's** has celebrated this remarkable statement by Jesus to Thomas and to **us**. We are part of the unfolding drama of God's love for all mankind. The Christian story guides us on a 'journey' that has not been limited to one place and one time, to the Apostles, disciples and martyrs of another age. Rather, our story is one of faith in the life of the one who rose from death and has caused vast multitudes of those who have never seen him to exclaim "*The Lord is Risen-He is Risen Indeed-Alleluia*".

Jesus beckons everyone to claim lives that are purposeful pilgrimages. The resurrection is not the 'end of the story' but the 'beginning of a journey' that Jesus completes 'over and over again', in the life of his people in all ages. His believers form a 'never ending' series of connections to the original story, into our world and our times. For Christians today, our lives are not found on printed pages, *but through our faith, lives, and love for one another*. Our shared lives here at

St. Luke's are the 'literal extension' of the pages of God's story...**into the present**.

Here, we seek to move within the community of the saints, past, present and future. We seek to live together as 'interconnected people'...not isolated units. We believe that the Christian community is ideal in reflecting the reality of God's kingdom itself.

St. Luke's is God's friend to everyone in our communities. We are a resurrection people, a joyful people, a people sure of God's hope and call to us, regardless of the world's trials and challenges that face us. Here in this place...we will continue to affirm the great things God has done for us, and expects from us in 2015 and beyond. As we approach Easter, I am reminded, *that it is at the edges, we will see horizons denied to those who stay in the middle. It is only our worldly doubts that separate us from creation, from each other, from heaven...and from God*.

This year, our first service will be held at **8:00 a.m.** Afterwards, there will be hot coffee & beverages, warm hearts, fellowship and donuts in the parish hall. Our '**Festal Eucharist**' will be held in the church at **10:00 a.m.** & filled with music, joy and the annual 'Easter Egg Hunt & Reception' following the service. Plan to be part of one of our services at St. Luke's.

The Lord is Risen...He is Risen Indeed- Alleluia!

-A Joyful & Happy Easter to All-

Welcome to St. Luke's!

Welcome to St. Luke's parish - a progressive, diverse, historic and Celtic oriented congregation of the Episcopal Church within the Diocese of Long Island and a wonderful place for families, children, and individuals of all ages. Much of our parish life is found in service to others within our village. We practice 'radical hospitality' welcoming all people searching for spiritual wholeness. In the sacraments we find strength to turn towards a world that is hungry for peace, reconciliation, compassion and grace. Each Sunday we gather at God's table with one another, and invite you to join us as we deepen our knowledge of the Father, Son & Holy Spirit.

Through our liturgy, music, retreats and community-life, we share many opportunities for spiritual growth and fellowship with our neighbors. St. Luke's is a place that makes Christ visible to others by service, humor and action.

Whether you are an Episcopalian, Anglican, from another denomination, faith tradition or simply a spiritual traveler; come and rest with us in the Lord. St. Luke's is a place that can prepare and challenge you to find your way to a deeper intimacy with God. Come...find what we can be together in this 'thin place' between heaven and earth. The love and affection of heaven be with you!
